Informa 2025-2028: Compounding Financial Returns

Compounding Group Underlying Revenue Growth	5%+
B2B Live Events	6%+
Academic Markets	3-4% (5% ambition)
B2B Digital Services	Growth in 2026 (5%+ ambition in Plan period)

Compounding Profit Growth	Compounding Earnings Growth
Ahead of Revenue Growth (Underlying)	8%+ (Underlying)
Increasing Operating Margin	Compounding Cashflows
30% (By end of Plan period)	90%+ Conversion (Operating Profit to Operating Cashflow)

Compounding Financial Returns 2025-2028:

- Three years of compounding growth from 2025 = £630m± additional Revenue
- At a 40% drop through = £250m± additional Operating Profit
- At a market multiple = £3.5bn+ value...+£0.9bn± in dividends over 3 years...+£2bn± excess capital over 3 years for share buybacks or inorganic investment

The Power of Live

Sports

\$450bn+ in global sports events

c.300m annual attendees at US professional sports events

Music

\$40bn+ in global music events

c.160m annual attendees at live music events

Theatre

\$40bn+ in global theatre events

c.190m annual attendees at global theatre events

B2B

\$30bn+ in global B2B events

180m+ annual attendees at B2B exhibitions

Market for B2B Live Events

Structural Growth Market

- **\$30bn+** annual market value
- Global industry with local delivery
- Long-term structural growth dynamics

Fragmented Industry Structure

- **c.50%** of market run by Trade Associations
- **10%+** of market run by venue owner/operators
- Top 10 independent operators constitute **c.20%** of market
- Proliferation of entrepreneurial businesses

An attractive, scale international market with positive long-term growth characteristics

Growth Drivers of B2B Live Events

Market Factors

- ✓ Domestic, Regional & Global industries
- ✓ Fragmented supply chain
- ✓ International communities
- ✓ Industry cycles

Customer Factors

- ✓ Emergence of personalisation
- ✓ Demand for specialist knowledge and information
- ✓ Ecosystem enabler (efficiency)
- ✓ Must-have products & services

Operating Factors

- ✓ High levels of innovation and change
- ✓ Digital and emerging technologies
- ✓ Low capital requirement
- ✓ Working capital positive, strong cash flows

2026

~280k
2028

~300k
2031

*Dubai World Trade Centre & Dubai Exhibition Centre
combined capacity*

Frankfurt Venue Agreement

- Informa explores extended partnerships to host CPHI Worldwide at Frankfurt Messe
- Largest venue in Europe
- Preferential rates
- City support and incentives

5 Attendee Value

Recognising the value of Live B2B Events for all participants

Attendee Value from B2B Events:

Meet the whole supply chain

Source new suppliers

Discover new innovations

Deepen relationships

Education and training

	Markets	Connect	Festivals	B2B Events
Attendee Revenue	\$110m+	\$250m+	\$130m+	\$490m+
No. of Attendees	7m±	1m+	0.2m±	8m+
% Paid Attendees	30%+	70%+	55%+	35%+

- Significant value for attendees at B2B Events
- Progressive introduction of attendee pricing at more transaction-led major brands, with exceptions by category and geography
- Attendee pricing also helps improve quality of audience
- Additional indirect attendee value through Hotels and Cities strategy

6 Amplification Services

Delivering to Customer Objectives

- Opportunity to drive yield through additional amplification services
- Focus on increasing customer ROI (Return on Investment) and/or ROO (Return on Objectives)
- Objectives range from Direct Trade and Lead Generation, to Business Development and Brand Building
- On-site transactions are not always the objective, particularly in markets with complex buying cycles e.g. Pharma
- Awareness, pipeline velocity, knowledge and relationships can be equally valuable
- Services can be sold separately, bundled into a space package or even introduced as a compulsory add-on

6 Amplification Services

Lead Insights & Campaign Analytics: delivering increased ROI & year-round value

- **Lead Insights**...a proprietary lead reporting and analytics platform, built on IIRIS and unique to Informa
- 10,000+ Informa customers at 150 Informa events used **Lead Insights** in 2025, registering 2m+ platform interactions
- **Lead Insights** provides customers with access to actionable lead and campaign data – all year round

6 Amplification Services

Broadening the range of services at CPHI

Travel and accommodation

- Visa support service available
- Hotel commissions from hotel bookings through portal and preferred suppliers

New to 2026

Operational

- Commission from preferred logistic and customs partner and vendor services
- Early access to exhibition grounds means companies can extend their construction period by up to 2 days

Lead Gen and Digital Services

- 1,149 leads delivered
- 360 digital directory gives exhibitors enhanced visibility
- Lead Retrieval Service through the Event Planner App has 100% adoption among Exhibitors – 7000 meetings were facilitated during the event
- Digital Product directory, CPHI Online had 4.2m page views and 1.2m unique visitors
- Engaged and marketable audience is 490,000+
- Lead Insights fee as lead scoring service introduced for 2026 events

Informa 2025-2028: Compounding Financial Returns

Compounding Group Underlying Revenue Growth	5%+
B2B Live Events	6%+
Academic Markets	3-4% (5% ambition)
B2B Digital Services	Growth in 2026 (5%+ ambition in Plan period)

Compounding Profit Growth	Compounding Earnings Growth
Ahead of Revenue Growth (Underlying)	8%+ (Underlying)
Increasing Operating Margin	Compounding Cashflows
30% (By end of Plan period)	90%+ Conversion (Operating Profit to Operating Cashflow)

Compounding Financial Returns 2025-2028:

- Three years of compounding growth from 2025 = £630m± additional Revenue
- At a 40% drop through = £250m± additional Operating Profit
- At a market multiple = £3.5bn+ value...+£0.9bn± in dividends over 3 years...+£2bn± excess capital over 3 years for share buybacks or inorganic investment

The Knowledge Marketplace

The research ecosystem: connecting creators and consumers of knowledge

Motivations & needs

Content creation is the main measure used in research career progression & reputation building

Required to create for career progression

Need to differentiate themselves from peers

Desire to build a reputation & name

Desire to support their community

Motivations & needs

Content consumption is the main way that new research & knowledge is ideated

To stay up-to-date

To further their own research

To learn & develop their thinking

To enable AI-powered applications

An enhanced customer-centric operating model to support our ambition

Focus on three key customer segments

Academic & Government

Librarians, research offices, government agencies, funders

Aim:

- Advance knowledge and publish impactful findings
- Use content to inform key decisions in research, teaching, policy etc

Gates Open Research

wellcome trust

Market Opportunities:

- Heartland of customers today
- Opportunity to drive more value and continue to grow penetration

We partner through F1000 to provide Gates Foundation and Wellcome Trust researchers with routes to publishing Open Access & announced Open Access partnership with United Arab Emirates University in 2024

Professional

Professionals, continuous learners

Aim:

- Advance understanding of developments in area of professional expertise
- Learn more about an area with high quality, specialist trusted content

Market Opportunities:

- Strong content and existing customers
- Deeper focus and expanding product offering to drive more value

We partner with industry leaders such as AECOM to power innovation in their field. Our series of Routledge Classics drive enduring readership

Corporate

Knowledge management teams, R&D professionals

Aim:

- Drive innovation and product development for competitive advantage
- Make well-informed business decisions

Market Opportunities:

- Under penetrated in large TAM of >100k companies buying R&D content
- R&D spend in corporates growing rapidly >5% 2015-23 CAGR in OECD)

Taylor & Francis publishes research from top pharmaceutical companies like Pfizer, Roche & GlaxoSmithKline

The Power of Technology, Data and AI

Leveraging human and machine intelligence

Appendix

Capital Markets Day Speakers

Stephen A. Carter

Group Chief Executive, Informa

Stephen joined Informa in 2010 as a Non-Executive Director before becoming Group CEO in 2013. Under his leadership, Informa has expanded to become a leader in serving specialist markets internationally and is now home to some of the world's most significant B2B brands. Stephen has significant executive and non-executive experience across industries. He is a Non-Executive Director of Vodafone PLC and Chair of Informa's joint venture with the Principality of Monaco and the Tahaluf partnership in Saudi Arabia.

Gareth Wright

Group Finance Director, Informa

Gareth has considerable experience in senior financial roles across multiple UK public companies. He joined Informa in 2009 and has been Group Finance Director since 2014, also chairing the Risk Committee. Before joining Informa, Gareth held a variety of roles at National Express plc, including Head of Group Finance and Acting Group Finance Director. He qualified as a chartered accountant with Coopers & Lybrand (now PwC).

Richard Menzies-Gow

Director of Investor Relations, Corporate Communications & Brand

Richard joined Informa in 2012 to build and lead Informa's Investor Relations function, having spent the previous fifteen years as a leading sell-side Media equity research analyst, latterly as a Senior Director at Bank of America Merrill Lynch and at Dresdner Kleinwort. He has subsequently broadened his role to incorporate responsibility for Corporate Communications, Corporate Brand, Sustainability and Real Estate.

Capital Markets Day Speakers

Patrick Martell

Group Chief Operating Officer and Informa Markets Chief Executive

Patrick has significant and international experience of B2B markets and a track record of leading businesses through digital transformation and accelerated growth. He has been CEO of Informa Markets since January 2023, having joined Informa in 2014 as CEO of Informa Intelligence, returning the business to growth through significant investments in digital platforms, technology and customer experience before overseeing its divestment. Patrick is an Executive Director on the Informa PLC Board and a Board Director at Lloyds Register.

Andrew Mullins

Chief Executive, Informa Connect

Andrew has a strong track record of leading major brands and businesses forward through innovation and growth acceleration. He joined Informa in 2014 to lead the newly-formed Knowledge & Networking – now Informa Connect – business, with revenues more than doubling during his tenure. Previously Andrew held leadership positions at Lever Brothers (Unilever), Diageo, News International and Associated Newspapers. He is a Board Director at ITN and DN Media Group.

Matthieu Comard

Chief Executive, Informa Festivals

Matthieu joined Informa in September 2024 and has spent over 25 years growing world-class brands and serving purpose-led communities. He formed and leads Informa Festivals, home to the Group's experience-led B2B brands. Previously Matthieu was Managing Director, Europe at Natura, where he re-launched Avon into a purpose-led, digital-first omnichannel brand, and spent 11 years at Diageo delivering consistent double-digit growth through brand building, innovation and omnichannel execution.

Capital Markets Day Speakers

Penny Ladkin-Brand
Chief Executive, Taylor & Francis

Penny joined Informa in July 2024 to lead Taylor & Francis, having spent much of her career dedicated to organisations that develop digital, print and live content that engages, inspires and empowers specialist communities. She was previously Chief Financial & Strategy Officer at Future PLC, a digital media platform for specialist content, and Commercial Director at Auto Trader UK, responsible for driving commercial strategy to generate sustainable revenue. Penny is Chair of Next 15, a data driven growth consultancy.

Alex Robinson
Chief Commercial Officer, Taylor & Francis

Alex has a wealth of experience in academic publishing, having led diverse sales and marketing teams across multiple offices in Europe, South Asia, APAC and the USA through periods of transformation. He joined Taylor & Francis in 2008 and worked in Marketing, Business Development and Commercial Strategy leadership roles before becoming Chief Commercial Officer in 2022 and taking on the leadership of the Academic division this year.

Ashok Subramanian
Chief Technology Officer, Taylor & Francis

Ashok has over 20 years of experience in technology leadership and software development, and a proven track record of driving digital transformation and delivering enterprise-scale solutions. He joined Informa in 2025 to lead technology strategy and customer-focused innovation across Taylor & Francis in a way that drives positive impact for customers. Prior to this role, he was SVP, Global Head of Technology at Thoughtworks, where he led programmes spanning software development lifecycle, data-driven product development and enterprise IT design.

Capital Markets Day Speakers

Peter Hall

President, IMEA, Informa Markets

Peter joined Informa in 2000 and has held senior leadership roles in the Group across Europe, the Middle East, Africa and India. Based in Dubai, Peter has spent over 20 years establishing and growing B2B exhibition brands and working with partners to deliver excellent experiences and value to customers. He is passionate about the power of face-to-face connections to drive trade, accelerate innovation and shape industries.

Shabnam Rawal

Managing Director, Informa Connect IMEA

Shabnam has nearly 30 years' experience in the events industry: building, managing and expanding high-impact B2B brands across events, conferences, training and media. Based in Dubai, Shabnam leads Informa Connect's EMEA portfolio, which serves specialist markets including HR and Education, Energy, Maritime and Pop Culture. Her focus is on driving product and digital innovation, operational excellence and business growth, and she oversees key partnerships and alliances including with CIPD, WorldatWork, EFQM and the Balanced Scorecard Institute.

Annabelle Mander

Executive Vice President, Tahaluf (An Informa Group Company)

Annabelle has extensive experience in growing B2B brands and businesses in the IMEA region. She has been Executive Vice President at Tahaluf – Informa's partnership business in the Kingdom of Saudi Arabia – since January 2023. Previously Annabelle was a Group Director within Informa's IMEA events portfolio based in Dubai and held sales management positions at the Dubai World Trade Centre.

Capital Markets Day Speakers

Atilla Marangozoglul

General Manager, Turkey, Informa Markets

Atilla Alp Marangozoglul has over 20 years of experience steering B2B and events organisations to success within complex and dynamic markets. Based in Istanbul, he has been General Manager of Informa's portfolio of events in Turkey since 2018, overseeing the integration of new businesses, maintaining positive long-term partnerships with venues and associations and delivering consistent business and operational performance.

Yogesh Mudras

Managing Director, India, Informa Markets

Yogesh leads Informa's portfolio of B2B events in India, which has grown to become the country's leading organiser of major trade and transaction focused exhibitions across sectors. He was previously Chief Financial Officer of the business and is a qualified chartered accountant.

Product Demonstration Leaders

Nick Corner

The Power of the AI Dividend

Nick has significant experience building digital knowledge-based products for leading businesses including the BBC, News UK and the Telegraph. He joined Informa nearly four years ago in a digital product management capacity, working across our events and media portfolios. Nick has been part of our Elysia team since its inception nearly two years ago and is the lead product manager for Informa's dedicated GenAI personal assistant.

Mark Davies

The Power of the AI Dividend

Mark joined Informa's B2B events business in Dubai in 2014 and has worked across Marketing and Commercial Strategy leadership roles. His expertise is in harnessing customer data and insights, technology, marketing excellence and automation and AI to drive commercial growth and efficiency.

Thomas Davies

The Power of Intent Data

Thomas Davies leads Informa TechTarget's sales organisation for the MENA region. He joined the company five years ago and works with some of our largest and global clients to support their sales and marketing strategies through products such as the Informa TechTarget Portal.

Product Demonstration Leaders

Mitesh Kotecha

The Power of Intent Data

Mitesh joined Informa's Investor Relations team in London in 2022 and relocated to the US at the end of 2024 to support our IR activities in North America. He has a decade of investor relations experience gained at various FTSE 100 and FTSE 250 companies. He previously spent over ten years working on the sell-side in research and sales teams at leading investment banks.

Kamini Naik

The Power of Customer Data

Kamini has over 10 years of experience in digital product leadership, with a focus on customer experience and AI and data-driven solutions. At Informa she has led the rollout of Lead Insights across our B2B businesses. Kamini previously consulted for global clients at Accenture and Deloitte, driving innovation and digital transformation at scale.

Lucy Gillam,

The Power of Customer Data

Lucy joined Informa in October 2021 as Informa Connect's Chief Commercial Officer, with an initial focus on capitalising on digital growth opportunities after the pandemic. She has a long track record in the B2B events market, having started in conference production before moving into sales leadership roles and growing a series of market-leading B2B exhibition and media brands.

Product Demonstration Leaders

Sabina Alam

The Power of AI in Research Integrity

After a research career in neuroscience, Sabina moved into scientific and medical publishing in 2008, working on open-access journals as well as a variety of peer review and publishing models. She joined Informa in 2018 to lead Taylor & Francis's Publishing Ethics and Integrity team, and provides investigative support and expert guidance on editorial policies, publishing ethics and research integrity.

Paolo Lombardi

The Power of AI in Research Integrity

Paolo joined Informa in 2022 to work on AI services and solutions for Taylor & Francis. He began coding at age seven and developed his first neural network in 1995. He worked as an AI researcher with universities and applied science institutions, including the European Commission, until 2010 and subsequently co-founded two research-driven AI startups and the digital startup accelerator Techpeaks.

The Dubai Airshow

Tim Hawes

Managing Director, The Dubai Airshow

Tim has been working in B2B events and media across the Middle East and UK for over 20 years. He has significant experience in growing existing brands and launching into new sectors and markets. Based in Dubai, he works closely with our partners to lead the delivery of The Dubai Airshow.

Guest speakers

His Excellency Helal Saeed Al Marri

His Excellency Helal Saeed Almarri is the Director General of Dubai's Department of Economy and Tourism. He is a member of the Executive Council of Dubai, a member of the Board of Directors of the Investment Corporation of Dubai and also the Director General of the Dubai World Trade Centre Authority (DWTCA). Almarri is Chairman of Dubai Financial Market and is a board member at the Dubai Chambers, Taaleem PJSC and Emirates Nature – WWF.

Doug Emslie

Chair, Cuil Bay Capital & former CEO Tarsus

Doug is a pre-eminent figure in the events industry. Having joined Tarsus Group when it was created in 1998, he ran the business as CEO and oversaw its acquisition by Informa in 2023. He now heads Cuil Bay Capital, an events investment portfolio that includes Raccoon Media, Jacobs Media, Easyfairs and Life Sciences Connect. He is a board member of US industry advocacy body the Exhibitions & Conferences Alliance and has chaired multiple events industry associations in the UK and US.

Thorold Barker

Senior Adviser, AlixPartners and former EMEA Editor, Wall Street Journal

Thorold Barker is a speaker, director and advisor. He sits on the board of Moelis & Co and Tiger 21 in New York and is a Senior Adviser for AlixPartners. Thorold is the former Editor for Europe, Middle East and Africa at the Wall Street Journal, where he was also the masthead editor overseeing all global events and live Journalism. Before joining the Wall Street Journal in 2008 to recreate the paper's Heard on the Street Column, he was U.S. Lex Editor for the Financial Times.

Aviation: Attractive B2B Growth Drivers

A \$3 trillion+ global industry

Demand exceeds supply...growth in air travel driving the need for more aircraft

Space a growing sector expanding across all domains

Production capacity constraints extending aircraft lifecycles, driving the aftermarket

Supply chain challenges underpin value of B2B Live Events

Growth in AI and technology adoption driving industry efficiency

U.S. Golden Dome's budget amplifies opportunities

Demand for new events in adjacencies to commercial side of the Air Transport industry

New digital products (eg Catchment Analyzer) are enhancing Live Events offering

Aviation

Building strength and depth in Aviation

Informa's deep multi-channel expertise in Aviation

- The Aviation Group at Informa supports multiple communities (e.g., aircraft maintenance, network planning, space technology), providing always-on engagement through specialist products and services
- Multichannel portfolios include B2B Live Events, specialist media and specialist content/data services for year-round presence and revenues
- The Aviation Week brand is one of the best known and trusted in the industry, with a 100+ year heritage
- Deep market expertise and constant engagement at all levels of the industry drives innovation and scaling both organically and through targeted addition

Revenue by type

Revenue by region

Informa Aviation: Major Brands & Specialist Products

Segment	Brand(s)	Value proposition
Aerospace, Subscriptions, Media & Events		Aviation Week Network clients value these services to: • De-risk (content and data i.e. aircraft ownership) • Grow (identify contracts to win and companies to work with) • Save time (all in one place)
Aerospace (Maintenance, Repair and Overhaul Events)		MRO clients value these events as a key platform for: • Creating new partnerships/suppliers • Exchanging knowledge and best practices
Air Transport; Events, Consulting & Subscriptions	  	• Routes connects airline and airport network planning professionals through regional, 1:1 meeting services • ASM provides consulting for Airports to support route justification • CAPA supplements both by providing data, analysis and insight through subscription services and conference events
Aerospace & Commercial Aviation	  SPACE TECH EXPO	• Dubai Airshow is one of the largest and fastest growing B2B aviation events in the world and includes a large Space Pavilion • Space Tech Expo delivers tradeshows bringing major suppliers & component manufacturers together

The Power of Live &
The Value of B2B Brands

Riyadh, Saudi Arabia

19th November 2025

Building a Market Leading B2B Business in Partnership in the Kingdom of Saudi Arabia

Michael Champion

Chief Executive, Tahaluf

Rachel Sturgess

Senior Vice President, Tahaluf

MICE as an economic strategy

A key focus in KSA's economic transformation

Ambitious leadership

Crown Prince Mohammed bin Salman (MBS) transformative vision for KSA

Strategic geographic location

Geographical accessibility to the Middle East, Asia and Africa

Population

Young, tech-savvy demographic eager for cultural and professional engagement.

Rising demand for events

Vision 2030, growing population, social and cultural reforms, and tourism promotes the event experience

Bringing world-class events to the kingdom.

A strategic joint venture

Co-owned by Informa PLC, Saudi Federation for Cyber Security and Programming (SAFCSP) and Events Investment Fund (EIF).

Growth focus

Created IP

Unique IP

Scale investment

Structure & governance

Targeted markets

Shared ambition

Clear strategy

KSA B2B Events Markets

Rapidly expanding market, outpacing regional peers and growing at 10% p.a

Market considerations

KSA is forecasted to be the highest growth market in MEA

Split of Total Addressable Market Size (TAM) in MEA, USD Billion^{1,2}

Note 1: Stax Globex, BofA Global Research for market size

Note 2: Mordor Intelligence to estimate the split of the MEA market

Competitive Landscape

- Mega-projects expanding demand for global-standard events
- 500+ B2B trade shows
- Fragmented organizer base (3,000+ companies registered)
- Majority local, minority local key competitors
- Global IP importation accelerating competition
- Infrastructure and venue constraints for large scale events

Strategic Position

- Early movers; alliances established and nurtured since 2020
- Tahaluf positioned as the leading organiser in the Kingdom
- Largest Saudi-based B2B organiser
- Strongest organiser venue and government support
- Venue exclusivity
